WHO WE ARE

Move Dance Family, formerly Move Dance and Fitness is a family-owned dance studio. The Marion family started the studio in early 2013 with two students and two toddlers of their own. The focus of the studio was to create a family-centered dance studio and a second home for students, where they could feel loved, inspired, and express themselves in a healthy way.

Eight years later, the Marion family has five kids and MDF has over 400 students. We are proud to be the #1 Google rated dance studio in Fort Bend County and to be the home of Movement Dance Company, an award-winning competitive and performing group of 100 dancers ages 5-18.
